

VIC by PEDRALI

Model# : 646

Design by: Patrick Norguet Made in Italy By reviewing the classical forms was born a comfortable and simply elegant collection of upholstered armchairs. The back lifts up from the seat while remaining tied only at the ends. The resulting opening provides the armchair with lightness and eases its handling. The legs in steel tube are perfectly jointed thanks to a carter under the seat. The seat and the backrest can be upholstered with leather or fabric even in contrast.
